

## 2nd 2 NONE 5K RUN & WALK

### The race that feeds children at risk of hunger.

Adequate nutrition is extremely important to every school-aged child's ability to develop properly, stay healthy, and learn well in school.

More than 19,000 children in Aurora schools are eligible for free and reduced-price lunch during the school year because their family income is inadequate to meet all of their basic needs, including their need for adequate nutrition.

Families who struggle to put food on the table find it even more difficult during the summer, when children are out of school and school lunches are not available. **Many of their children go hungry over the summer.**

The **2nd 2 None 5K Run & Walk**, a collaboration between **Communities In Schools (CIS)** and **Aurora Area Interfaith Food Pantry (AAIFP)**, raises funds to support the Food For Thought Program and other programs that help feed Aurora children at risk of hunger.

Communities In Schools (CIS), in its twentieth year, surrounds students with a community of support, empowering them to stay in school and achieve in life. CIS brings resources, services, business partners, parents, and volunteers into public schools to meet the vital needs of kids at risk. Kids can concentrate on learning and teachers can concentrate on teaching.

The Aurora Area Interfaith Food Pantry has served the community for 33 years, assisting individuals and families in need with emergency food and nutritional assistance in a humanitarian and compassionate manner.
