**AUTHORIZED PERSONS FOR PICK UP AND EMERGENCIES**

**I authorize the following individuals to pick-up my child at any time including emergencies when a parent cannot be reached. I know these persons and agree to allow *Drama & Drums Summer Camp* staff to release my child into their care upon providing valid identification for verification purposes. In doing so, I relieve Communities In Schools of Aurora and employees of all responsibilities for my child after he/she has been released from the program.** Communities In Schools of Aurora does not have the authority to deny a non-custodial parent his/her rights but does have full authority to regulate how those rights might be exercised when disputes between parents over the physical custody of a child intrude into the summer camp scene. It shall be the policy of Communities In Schools of Aurora to elicit written agreement between separated parents for the purpose of clarifying who may or may not pick up a child from the after school program. If required, a court order will specify which parents may or may not have physical custody.

Regular attendance and punctuality are essential.

Please initial and each statement below

Initial	YES	NO	
			I give my permission for my student to be enrolled in the <i>Drama &amp; Drums Summer Camp</i> , four days a week until dismissal each day.
			I do hereby give permission for CIS of Aurora staff to transfer my child off the property for the purposes of medical care as deemed appropriate and in the event that I cannot be reached in an EMERGENCY, I hereby give my permission to the physician selected by CIS of Aurora staff, to hospitalize or secure proper treatment.
			I give permission for Communities In Schools of Aurora and those community partners we may authorize to use any of my child's name, photographs, writings, artwork, and to film, and/or videotape and/or performance in any activity as part of the <i>Drama &amp; Drums Summer Camp</i> program for the purpose of promotional, marketing, publicity, or other purpose whatsoever without additional notification or approval by me for program activities (including websites, YouTube, Twitter and Facebook).
			I understand the <i>Drama &amp; Drums Summer Camp</i> program is not able to provide one-to-one attended care during the program hours. Participants must be able to operate in a group with at least 8-10 other children and one adult staff member. Please contact Anna Toole if you have questions or concerns.
			I understand the program dismisses starting at 3:30 p.m. each day. I also understand students must remain in the program until the 3:30 p.m. dismissal each day to receive the full benefits of the program from our committed staff and community partners.
			I give my student permission to participate in all activities and field trips sponsored by <i>Drama &amp; Drums Summer Camp</i> and I agree to further release and hold harmless, Communities In Schools of Aurora and the City of Aurora including and not limited to their directors, officers, employees, partnering agencies in the <i>Drama &amp; Drums Summer Camp</i> for liability associated with my child's/ward's participation in the <i>Drama &amp; Drums Summer Camp</i> and I agree not to make any claim, suit or demand against the above mentioned agencies/entities for any injury or damage incurred on account of my child's participation in field trips and related activities.
			I authorize the school and the after school program staff or summer camp staff (collaborating with Communities In Schools, Aurora University, The City of Aurora, School District 129, 131, 204 and 308) to include my child in the evaluation of the after school program or summer camp. This evaluation includes getting information including attendance and asking my child to complete surveys and/or interviews. The surveys or interviews are to learn about my child's experiences and behavior in school and at the after school program or summer camp and their attitudes and feelings about the after school program or summer camp. Copies of the surveys/interviews are available from the study coordinator. In addition, staff members and teachers will be requested to complete surveys about my child's performance. Reports about the program will not identify my child. There are no known risks to participating in the evaluation process. The benefit is that the program developers can learn more about how after-school and summer camp programming can help promote child academic and social development. I understand that my child is not required to complete these surveys or interviews and that he/she can stop filling out the surveys at any time. I understand that we will not experience any negative consequences if I do not allow my child to participate in the evaluation. If I have any questions about the evaluation, I can call the study coordinator, Christina Bruhn at Aurora University at 630-844-5405. If I have any questions about my child's rights as a research subject, I can call the Chair of the Institutional Review Board at Aurora University, Autumn McKeel PhD, 630-947-8922.
